ADDING VALUE

It hasn't been easy this year but God has blessed through the difficulties and He is still working in the hearts of Rhema listeners. What a privilege that God's Word can be heard throughout our region on 99.9.

Have you ever thought what it would be like without Rhema? No Christian messages on the radio, no Christian music on the airwaves, no Christian encouragement at the flick of a switch!

Think about it. This is what we have in the Hastings area!

In his book, "Intentional Living", John C Maxwell tells us that a successful business is "uphill all the way". Don't expect success if you have downhill habits. He tells us to add value to people!

Think of ways to add value to people;
Look for ways to add value to people;
Then actually **add value to people**.

Rhema is in the business of adding value to people. Sometimes we get so busy tearing one another apart we forget that we're supposed to love one another. Do you value people? Have a think about it. Better still, pray about it. Pray how you can add value to others. And while you're at it, **please pray for Rhema**.

Organiser needed!!

Do you believe you are a talented organiser? Would you like to put your skills into action for Rhema 99.9?

We need someone to help co-ordinate our Bunnings BBQ fundraising events. It only happens twice a year and simply involves ensuring we have sausages, bread, onions, drinks etc and co-ordinating a roster for helpers throughout the day. Contact the station on 6584 1246 and leave a message. We've done it before so we can talk you through the process.

CAR RALLY

What a fantastic time we had at the Rhema car rally scavenger hunt. Cash prizes were given for the winners courtesy of Rhema sponsor **Ridgely Didge Pies.**

The overall winners were Paul from Advantage IT and Bevan from Davey & Watt who shared a \$300 first prize! Second prize was \$200 that went to Fiona Hayward and third prize \$100.

Everyone enjoyed themselves so much they want us to do it again. And we will! So watch this space in 2018 for another fun-filled family day.

Crazy!

people are listening!

Did you know that over 5 million Australians listen to community radio each week? That's almost a third of Australians over 15. People's top reasons for listening are news and information shared by local voices.

How does Rhema keep going?

We are not a commercial station and when Rhema 99.9 asks for your financial support it's not always because something is wrong. It's simply that, as a Christian Community broadcaster we rely on donations to remain on-air.

Rhema 99.9 has a way for you to partner with us which we hope will make showing your support easier. It's called **Life Changing Partners.**
