Rhema's Long Lunch

Lindsay 'Linz' Lieschke and his wife Sue are wonderful volunteers who are heard almost daily on Rhema 99.9. Lindsay is our Monday to Friday afternoon announcer bringing all sorts of fun and challenges to your 'Long Lunch' and Sue presents hourly Bible readings.

Lindsay was involved in commercial radio for years, and in the western NSW town of Orange worked as an Announcer, Program Manager and Music Director before moving to the Mid North Coast. Sue was a newsreader, copywriter and presenter at the same station in the Central West where she and Lindsay met and they have been married now for around 30 years!

After moving to the Mid North Coast Lindsay and Sue moved away from radio briefly to pursue personal and other employment opportunities and during this time they became interested in Rhema.

Keen to use their skills in Christian service, they joined the army of volunteers at Rhema 99.9 where Lindsay provides us with 3 hours of entertaining banter on weekday afternoons and Sue shares Bible readings on the hour 7 days a week.

Thank you, Sue and Lindsay, for your faithful service to God and to the Hastings community.

You've Gotta Love that Local Sound...

The latest Church visit campaign started in November with our Manager, Werner Egger (left), visiting the Port Macquarie Church of Christ. He's pictured here with Warren Nichols, 'caretaker leader' of the Church.

Would you like Rhema to visit your Church? Have a chat to your Church leaders and suggest that they invite us to come along and share the blessings experienced by so many local listeners.

Volunteers Ahoy!

They're not exactly on a boat but this picture shows many of our current volunteers who attended the end of year dinner last November. See if you can pick someone you know. Our volunteers come from all over the Hastings and from many different Churches.

You can join our happy team of volunteers by going to **rhema999.com.au** and clicking **Get Involved**. Or you can visit Rhema House at **198 Hastings River Drive, Port Macquarie** or ring **6584 1246**.

BBQ Business!

Last October we had our turn at the Bunnings BBQ and we're pleased to tell you that \$665 was raised! Here are some of the much-appreciated volunteers who helped on the day.

'Your Voice, Your Story' Appeal

Our financial Appeal back in November was a real blessing. Although we didn't reach our goal of \$10,000 (the final count was just over \$4,000), quite a number of listeners told us 'their story' in response to our request for testimonies of how Rhema effected theirs and their families' lives. Over this next year we will share some of these stories with you, how Rhema 99.9 is touching hearts in the Hastings region.

2020 - The Year of Vision

A month into the new year has already passed... how quickly it goes!

To advance their cause, organisations have symbolically declared that 2020 is the year of 'vision'. Having 20/20 vision is a great thing for people to have conveying a sense of clarity when negotiating one's environment.

But what about the vision that God has placed in our heart? Are we walking in that vision? Do we even know what that vision is? To walk in the plans and purposes of God not only achieves bringing all glory to Him (which He certainly deserves) and the opportunity to be built up as believers, but I also believe it's our greatest reward!

To draw alongside and allow the Creator of the Universe and all that is in it to minister through us, is truly a blessing and honour we can't yet really comprehend. It is for reasons like these that Rhema 99.9 continues to persevere in following the vision God has given your Christian media ministry... "Every home hearing the life-changing message of Jesus Christ". And with the Lord's enabling, you and I can fulfil this vision through the work of Rhema 99.9 in its various forms, to proclaim the good news of Jesus Christ... one home at a time!

Thank you for your faithful support.

Werner

Radio Listening is on the Rise!

That's right, this original broadcast, last century, free media, is attracting more listeners according to our media sources. While new technologies come and go, and take up our time and headspace, people still gravitate to original, authentic human voices - especially those who share truth and hope.

Thanks for listening to Rhema 99.9, your authentic Christian radio station.
