

SOUND WAVES NEWSLETTER

'SHINE THE LIGHT' IS BACK!!

Due to Covid-19 restrictions still in place our very important Shine The Light fundraising event will look very different this year with a combination of on-location and live streaming.

Our key-note speaker will be Peter Irvine. Peter has more than 50 years experience in business at a high-profile management level and was part of the team that launched McDonalds in Australia. He is also the co-founder of Gloria Jeans Coffees Australia.

Peter is passionate about seeing leaders come alive to the full purpose and potential God has for them in life. Sharing from real life experience, Peter has a positive and practical keynote speaking style using real life examples.

Newcastle musicians Geoff Snowden & Chrissie Pearce from Enter Worship are providing music for the evening debuting their new single. Geoff has worked extensively in Christian radio, until recently providing his skills as the Drive Time presenter on Rhema FM in Newcastle. He now runs his own

business consultancy, People Motion, and he will be our host for the night.

Part of the night will be an auction that you can participate in whether online or there in person. A couple of weeks ahead of the date you'll be sent a list of available items to bid on and you can register your bid with us. More details will be sent to registrants later.

It's all happening on Saturday September 19 from 7pm and you can join us either in person or online.

Act quickly because only the first 50 people to register with a payment of \$50 will join us in person at C3 Church auditorium in Port Macquarie. This will include barista coffee and delicious cakes and slices. Everyone else will join online.

Great prizes just for registering!

Don't miss out on this extraordinary unprecedented event. Everyone who registers with their payment will go into the drawer to win one of 2 prizes on the night of the event. Exciting new projects

God has blessed us with more talented volunteers that will expand our service and circle of influence and interest.

Des Kennedy is an Irish Australian who has spent most of his life in the Corporate world, specifically in IT in executive roles for organisations such as Qantas, NRMA and many more.

In 2011, whilst driving on the Stuart Highway just south of Katherine NT, Des committed his life to Christ. Prior to this he had had nothing to do with Christianity. Now he was a new man with a driving disposition to serve others.

Some time later Des joined Hillsong Brisbane where he attended Leadership College obtaining an Advanced Diploma in Ministry and became a Chaplain.

Driven by a passion for helping men, Des established a Men's Ministry at his Hillsong campus resulting in over 60 Men's Groups reaching hundreds of men with pastoral support and engagement and encouragement.

Now living in Port Macquarie, Des is charging ahead with the planning of a national Men's Ministry via MoMENTum, a proposed weekly Sunday Evening national Men's Radio Show due to commence this month, jointly with Rhema 99.9 Port Macquarie and 96.5 in Brisbane (and potentially with the Vision Radio Network with its 600+ radio stations).

Please pray for Des as he embarks on this incredible ministry. MoMENTum can be heard at 7pm Sunday nights starting in August.

Kurt Green is a primary school teacher who enjoys fishing and relaxing in "God's marvellous creation" as he puts it.

He grew up in church and was actively involved in worship leading and children's ministry, but at the age of 19 he walked away, bitter and angry.

In Kurt's words, "I allowed sin and temptation to rule my life, taking me down a dark spiral leading to depression, anxiety and panic disorder. But my loving Father stepped in. He brought me back" and "reignited a fire and passion within me to build a closer relationship with Him".

Kurt enjoys reading the Bible, listening to worship music and other Christian media. He says, "I feel so blessed and privileged to begin this new season of my life. I feel honoured to be given the opportunity to spread the gospel through Christian media. This has been an answer to prayer! Remember your ABC's, 'Always Be Courageous - for the Lord your God is with you'".

Kurt is training as an announcer.

Daniel O'Brien became involved in Rhema as an announcer 15 years ago when his mother, Bronwyn, was President of Rhema. Back then Daniel was heard on air during Breakfast and Drive Time. But his calling to business was strong which, at the time, took him away from Rhema.

After the establishment of his business, Chicken Caravan, and a wife and 3 children later, Daniel is back!

He says Rhema has held a place in his heart ever since his days on air. He has felt the calling from God to return and is delighted to see how God is going to work through him in this new season.

Initially, Daniel's activities with Rhema will be as a *videographer*. Did you know that Gen-Z's and Gen-Alpha's are only interested in media where video is involved? With modern technology and social media, even radio stations can provide this - and that's where Daniel comes in.

Daniel is a most welcome addition to the Rhema volunteer staff.

BECOME A RHEMA VOLUNTEER!

Thanks so much to all our volunteers. Volunteering is a great way to meet people and get connected.

You can join the Rhema Team or make enquiries by going online to rhema999.com.au and clicking 'Get Involved'. Or you can phone us from Tuesday to Friday during business hours on 6584 1246.

There is such a variety of things Rhema needs volunteers for and we appreciate and love each and every one of you.

Would you like to help pick the music on Rhema?

Our Content Director, Alan Sharpham, heads up a small group of listeners who preview and assess new Christian music for possible airplay. To facilitate this process, we have a Programming Committee consisting of men & women, young and older.

Alan is looking for people who would like to join this happy little group. All you need to be is a regular listener to Rhema 99.9, aged 18 or over and not part of a household of an existing Programming Committee member, and have around 15 minutes a week to listen to new songs that Alan sends you. There are no meetings to attend.

If this sounds like something you'd like to be involved in, send Alan an email to production@rhema999.com.au and he'll send you all the information you need.
