Rhema 99.9 supports mental health in our local community

Rhema had the opportunity to support Majestic Cinema's new initiative 'Reach For Help Week' with an onsite video interview with CEO Kieren Dell by our Drive announcer Kurt Green. This new annual Majestic initiative which ran from September 23-29 is very close to Kieren's heart as he lost his 30 year old daughter to suicide 12 months ago. Go to Rhema's Facebook page for a preview.

You may not be aware that Rhema 99.9 has recently partnered with Majestic Cinemas to promote their new 'Movies That Inspire' project. Each month Majestic Cinemas in Port Macquarie will screen different faith-based or inspirational movies. This project is to encourage family-friendly movie content across the Hastings community that can offer a message of hope and potential outreach opportunities. This fits very well with Rhema's "We're for families" motif. If you'd like a free double pass to see the current Movies That Inspires release, please listen-in to our Drive announcer Kurt Green on Fridays from 3-6pm for your chance to win.

The recent fundraiser from our Bunnings BBQ raised just over \$300. We are so grateful to those who helped, especially Merry Foy who co-ordinated the effort.

Once again this year Rhema is holding its Annual General Meeting online via Zoom. It's on Tuesday November 23 at 7pm and financial members will receive a Zoom invitation to join us online. Under new guidelines, members who attend online are counted as 'present' at the meeting.

If you are a financial member, details of voting, proxy and nomination forms are included with this newsletter.

Shine the Light fundraiser is STILL coming...!
