## RHEMA HELPS THE WIDER CHRISTIAN COMMUNITY

Every year, Rhema 99.9 assists other Christian organisations raise much-needed funds to continue their valuable work. Organisations like CBM with Miracles Day, Samaritans Purse with Operation Christmas Child, Focus on the Family with Marriage Week; just a few of the Christian charities we've helped with effective promotions.

This year Rhema will continue support through Bible League's 'Bringing Hope Behind Bars' and 'Feed the Hungry', amongst others. While supporting Rhema, consider also supporting these organisations who are doing such a great work.

# Seasons!

Summer, Autumn, Winter, Spring. The year's seasons are cyclical and somewhat predictable.

Just as we expect a period each year with big changes in nature and the environment due to distinct climactic conditions, we can expect something similar throughout the years of life.

Seasons of life are part of living out God's plan for our lives.

"To everything there is a season, and a time to every purpose under the heaven." (Ecclesiastes 3:1)

As the world turns and turns, season after season, year after year with everything going on in it, just remember, not one detail or second of your life is without purpose. And you will go through seasons or times, scheduled phases in life that move through their opposites over time. Read Ecclesiastes 3:2-8.

Sometimes we have unusually long winters; other times, especially beautiful summers.

Seasons have their beginnings and endings, and they all have to be lived out. We should expect these cycles. Some seasons are easy to embrace. Others are not. Yet God works through all of them.

If God "has made everything beautiful in its time" can we learn to see the beauty in it? (Ecclesiastes 3:11)

If we are to trust God, can we learn to say, "my times are in your hands"? (Psalm 31:15)

What season are you in now?

Whatever season it is for you, God is with you in it. Don't forget that. Your moment is not someone else's to live. See the beauty. Trust Him.
